

## Supply list for Power of Line with Susan Reidy:

Susan may send out additional information. You do not do everything on the list for the first class. The exercises in the first class are limited to pencil only.

- A sample or two of your current work to share
- a ruler
- a variety of pencils in a pencil kit ( at least a standard 2b and 4b pencil)
- eraser
- 18x24 newsprint pad (or a roll of brown or white craft paper cut to 18x24 from dollar store)
- a flat drawing surface to support paper at an angle like a drawing board
- a stiff paper pad or a bread board
- some regular white drawing paper

**These items may be used in subsequent classes and will be discussed in the first class.**

**PENCILS-** "Sketch and Draw" pencil set at Michael's runs \$5.99 and includes pencils, erasers, stumps, and sharpener. You may already have enough pencils without this purchase, you need at least one from the H series, a 2B and a 4B or 6B, you may also include charcoal, charcoal sticks, and graphite sticks if you have them, but they are not mandatory!

**PENCIL SHARPENER** inexpensive hand held one is fine, or a sharp utility knife Optional: piece of sandpaper to refine pencil point.

**BLENDING TOOL(S)- "TORTILLONS", "STUMPS", OR other to easy find blending options instead : DRY PAINTBRUSH, OR Q TIPS OR PAPER TOWELS**

**ERASER-GRAY GUM ERASER or PINK PEARL eraser (optional)**

**BOLD BLACK SHARPIE MARKER**

**BLACK INK and 1 to 3 paint brushes (cheap, flexible watercolor ones will work), or 1 to 3 bamboo brushes if you have them.**

**CONTAINER OF WATER**

**PLASTIC LID OR PLATE (for use with ink)**

**1-2 ROLLS of white craft paper (or brown if that is all they have will work) (\$1 each from DOLLAR STORE), OR 18x24 Newsprint pad (these run \$16.99 at Michael's, so the dollar store option is wise, as this is for PRACTICE WORK !)**

**ONE Pad (or at least 5-10 sheets) of higher quality drawing paper-** use what you may already have!! (this paper will be used for more finished work)

**TAPE**

**SCISSORS**

**STRONG LIGHT SOURCE**, for example, a desk light with a cone shaped shade to direct the light on objects, or a shop light with a cone shaped shade and clamp if you have one on hand, that you can focus within one area

**TABLE to set your objects on**

**SKETCHING WORK SURFACE**, (wooden bread board, or something you can comfortably work on to support your paper while it is at an angle in front of you)

Other items you may already have on hand :

ball,  
egg,  
small box,  
toilet paper roll,  
hand held kitchen tools,  
a piece of striped fabric

tall vase  
salt and pepper shakers  
hiking boot or shoe,  
clear glass of water,  
spoon
