

Marlinkspike

Suggested supply list for Marlinkspike course:

Books*:

The Marlin Spike Sailor by Hervey Garrett Smith

Knot Craft by Des Pawson

*Both books are available at Hamilton Marine, Rockland, or use your preferred source.

Tools:**

Small Swedish Fid

Knife (pocket, box cutter)

Butane lighter

Masking tape

Small needle-nose pliers

**All tools are available at Hamilton Marine, Rockland. Or use your preferred source.

The instructor will supply a variety of twine and rope for in-class exercises and assignments. You may want to purchase your own once you've determined what you like to work with and the colors you prefer.
